

WHAT WE DO

Our team is trained to meet customer expectations and exceed them in every way possible.

We offer a full-service landscape management contractor serving multi-unit residential communities such as Master Associations, Home Owner Associations, Shopping Malls, Office Parks, Retirement Villages, Complexes, Commercial Properties as well as Residential Clients throughout South Africa.

We take pride in customizing our services to meet the needs and budgets of each individual customer. This may seem simple, but we believe in investing in every aspect of our business-to-customer relationship.

WHO WE ARE

ABOUT US

We have been offering garden and maintenance services for the past 30 years and are Horticultural certified.

Our company policy is one of personal supervision to meet all customers' needs.

As a result of our experience in this field, we would like to be afforded the opportunity to render future services, should the need arise

Our services include the following:

- **Horticultural Management**
- **Garden maintenance on a monthly or fortnightly basis.**
- **Landscaping and Irrigation**
- **Indoor plant services**
- **Fertilizers and Weed Control**
- **Plot Clearing/Rubble Removal**
- **Instant Lawn and Topsoil**
- **Tree planting and Felling**
- **Decorative stones**

We Specialise In
**GARDEN &

Services

OUR SERVICES INCLUDE

New Concept Garden and Maintenance Services provide full & comprehensive services in irrigation, landscape, maintenance, and professional tree care management. Our lawn care team is trained not only to meet customer expectations, but to exceed them in every way possible.

OUR MISSION STATEMENT

Garden Services' mission is to provide our customers with responsive service and unsurpassed quality and value at a very competitive price. We focus our efforts on establishing trusted customer relationships through attentive communication and carrying out both environmentally sound and safe management practices. It is imperative to assist & educate our customers in the design, installation, maintenance and irrigation of their landscapes. Customer satisfaction is not only our goal but our guarantee!

"I am very pleased to have gone with New Concept Garden and Maintenance Services. They were very helpful, punctual, and professional throughout. I had numerous quotes and there was no doubt I'd stick with them after meeting with them in person. Their honest and affordable quote made me want to do more in the future and only hire New Concept Garden"

Customized sprinkler system irrigation design to our client's needs.
